■ Possibility of "Hips & Hikagami" as Art

"Hips & Hikagami," are they fetishism or Art? If there are 100 models, there are all different hips and compositions. The artist wishes that those parts becomes Art. Ryosuke Handa has shot more than about 10,000 works of hips. This exhibition is the result of his such wish. This time, he has focused also on "Hikagami," which few people are familiar with. More than 250 works of hips and Hikagami will be exhibited at Asakusabashi gallery. Extra large works with size A0 will be also displayed.

At our company, we hold Fetishism Art Exhibitions regularly. We held "The World of Thighs Exhibition" from April 22 to May 15, 2016. More than 15,000 people visited it.

At this traveling exhibition held at Shibuya, we will exhibited new works and selected works from "The World of Thighs Exhibition." In addition, we will also exhibit and sell "Thigh Device" collaborated with Akihiro Ikeuchi, a figure creator. (Price TBD)

During the big consecutive holidays in September, you can expect the possibility of Art at the world of Hips & Hikagami & Thighs Photo exhibition and enjoy Hip holidays.
