About "Rabbit and Symbol"

Rabbit is known as not just cute only, but also as various "symbol" since ancient times. For example, rabbit is a symbol of the moon, a symbol of speed, and a symbol of sexy. It is famous that rabbit is used as a logo of PLAYBOY.

At this exhibition, we mainly exhibit healing rabbit regardless of professional or amateur. We would like you to discover new "symbols" of rabbit by exhibiting "symbolic" rabbit works of the exhibiting creators.
