■What's Tori Story Exhibition?

Ordinarily wild birds such as sparrow and crow, pet bird such as parakeet and African Grey and rare bird you can never see unless you go deep into the mountain... In this exhibition, we gather artworks under the theme of "instant beauty" of birds. Also, for goods sales, there will be various handmade goods. There will be artworks that not only are beautiful but also make us imagine the story within that instant.

In this exhibition, there will be SNS popular creators such as RyoichiSakai(@ryoichisakai) and akipooh(@_akipooh_) with more than 30,000 followers in Instagram and also RUBIA-ARGYI, the popular creator in "Neko-Break Exhibition" who will create various handmade bird goods! Also, there will be a gift of original postcard for the first 2,000 visitors.

■Please pay attention to their songs in the video corner!

Video corner with large projector is the highlight of this exhibition. Please pay attention not only to their beautiful figure but also to their songs!

■Official booklet only available on site will come with a bookmark in wing shape and is limited to 300!

Official booklet that contains not only exhibited artworks but also non-exhibited ones will be in special version limited to 500. Moreover, it will be sold exclusively on site with a bookmark on wing shape in commemoration of the first exhibition.
