

## -FRANK'S CHOP SHOP-

### NEW YORK'S BEST BARBER SHOP SINCE 2006

Frank's Chop Shop: Founded by Michael Malbon in New York City in 2006, Frank's Chop Shop is a Lower East Side neighborhood staple to the Modern Gentleman of Leisure. Acknowledging the great history of the American Barbershop, the Chop Shop features vintage 1930's barber chairs, classically trained barbers and utilizes straight razors, scissors as well

as electric clippers. However, what truly sets Frank's Chop Shop apart is their dedication to serving as a hub of activity where patrons can swap stories, share new music, cut business deals, and enjoy coffee and a newspaper while having an expert cut and shave. It's this unique atmosphere and association that has attracted its diverse and loyal fanbase.
