■What’s “The world exhibition of miniature photos”?

A miniature model that is so sophisticated that it looks like real. Each artwork contains the detailed world view of the creator. Though you may think it’s a photo but actually, it was a fake fabricated world. In this exhibition with photo artworks and 3D artworks at the same time, visitors would wonder in the world of miniature. You can take photo in the exhibition so you can take your original photo from various angles and upload to your SNS.

■ With the largest number of participants so far! The largest festival of miniature art!! Exhibited artworks are mainly new artworks so the visitors of the past exhibitions could also enjoy. This year, with new artworks, 3D artworks of miniature Olympics and new video corner of creation process video, you can enjoy new miniature world. There will be 10 new artists and total 38 artists. There will be Rikko (@mysiderikko) with more than 60,000 followers in Instagram, Mikako Nishi. (@nishi_mikako), Ishibashi Electronics (@ishibashi.electronics) and (smallfable(@small_fable) popular on Instagram. Also, there will be a gift of original design miniature badge for the first 2,000 visitors.

■ First time, exciting creation process video which beginners to experienced could all enjoy!

You can enjoy new video work of K.C.Factory in video corner. There will be a video for beginners who want to start creating miniature world after visiting this exhibition and also a video for experienced with difficult “miniature Bonsai” creation process video.
