# Aiwin Summer School

We Wonder Under the Same Sky

Summer School in Aiwin is a unique learning experience where students have a fun, active and engaging time of focused learning in an international perspective. This program aims to encourage students to be curious about the world around them and to learn different ways to express their topics of interests.

Join us for an amazing Summer of wonder and exploration!

## Admission

Open for students from

**Early Nursery to Elementary levels (1.5 to 9 years old).**

※Elementary levels will require basic English levels.

※External students are welcome to participate.

# Lesson Contents

Themes: **We Wonder Under the Same Sky**

Term 1

## Busy About Bug

Students will wonder outdoors to explore insect life cycles, habitats, food, unique body parts and more.

※Pool play will be held every week.

※International Festivals will be held on July 30 (Mikuni) and August 6 (Toyonaka). This event celebrates different cultures around the world. Separate participation fee applies.

Term 2

## Ocean Treasures

Students will explore the ocean through sensory activities, creative arts and technology.

Term 3

## Summer Festivals Around the world

Students will reflect on different festivals and widen their cultural perspectives.
